MEMORANDUM FOR: Comptroller  
Assistant Director for Personnel

SUBJECT : Additional Positions for FI/RI/DDP

1. Attached hereto is a copy of a memo indicating DDCI approval of an additional 39 project positions for FI/RI headquarters to accommodate an additional workload for name checks under Public Law 203, 83rd Congress (Refugee Relief Act of 1953).

2. You will note that these positions are designated as project positions and, accordingly, are not to be considered within the Agency as DD/P personnel ceilings. Further, these additional positions are granted for a temporary period only and shall be eliminated upon completion of the specific purpose for which they are granted.

3. I suggest that an appropriate follow-up record be established to ensure a periodic review of the status of this project and the continued need for the additional positions.
